Principal's Message

Miss Karabi Chutia
B.Sc Nursing(PB), M.Sc (Psychiatric) Nursing

Dear Parents/Students and community members,

As the principal of Assam Nursing Institute my primary focus is student learning. Our institute was established in 2018 with an objective to enlighten the future nursing students with technical, social cultural knowledge and provide them with ample opportunities for their overall success.

Since its inception in 2018 the institute got recognition with State Nursing Council (SNC) and Indian Nursing Council (INC) which is the major milestone achieved in a short span of time.

It is with immense pleasure; I would also take this opportunity to inform that the institute got 100% pass percentage in the board exam conducted by state Nursing Council for which I would like to convey my heartiest congratulations to the student and the teaching family of the institute.

With the first batch of young nurses ready to step into the community this year I bestow my blessing on them that they achieve great heights in their future endeavours.

Be inspired, Be passionate, Be a NURSE.
